BOARD AND STAFF!

## State Grants Awarded for Piedmont Avenue Project

The Authority received great news from Senator Wayne Fontana's Office - grant funds in the amount of \$125,000 from the Gaming Economic Development Trust Fund (GEDTF) and \$500,000 from the statewide Local Share Account (LSA) have been awarded to the Authority to complete Phase 1 of the Piedmont Avenue project to address flooding during storm events. This project includes the installation of 8 inlets, 4 detention facilities, 870 linear feet of corrugated pipe, 1 basin outfall structure and restoration of the roadway. The Authority's Engineer is completing the construction design and we will be accepting bids for the project over the summer months. The project is expected to be completed by Fall.

**Thank you Senator Fontana for your support!**
