

**FROM THE
 AUTHORITY
 BOARD AND STAFF!**

Thinking about installing a rain garden this Spring? Contact manager@dormontstormwater.org to receive a free copy of **Dormont's Guide to Rain Gardens** for step-by-step instructions.

Trees - Nature's Own Stormwater Management
 Our Residential Tree program in November was a huge success! The Authority worked with residents to plant a dozen trees in front yards in the Borough. Thanks to our residents who requested and agreed to care for their trees. And thank you to our partners, TreeVitalize, Eisler Nurseries, and Urban Landscapes for doing such a great job with tree selection, locations, and the actual planting.

Good News!

The Authority has received a total of **\$1.2 million in grant awards** for stormwater management over the past 3 years. Projects include Louisiana, Piedmont, Eastmont, and Latonia Avenues; Krugh parking lot rain garden and Dormont Park TMDL Project. Thank you to our state representatives for their support!
