

FROM THE  
AUTHORITY  
BOARD AND STAFF!

## Dormont Stormwater Authority Receives Statewide Awards

The Dormont Stormwater Authority was a proud sponsor of the 2024 Dormont Street and Music Festival

Fun, prizes, games, food, beverages, and information were all part of the event.

Congratulations to Melissa Reinert and Logan Chettle who won the raffle for a beautiful Fall throw and a Fall basket.

Our Authority was recognized by the PA Municipal Authorities Association with two Community Engagement Awards – one for electronic communication and one for community events. We competed against hundreds of municipal authorities across the Commonwealth and appreciate the recognition. We will continue to strive for excellence for our residents!

## WINTER STORMWATER TIPS PREVENT POLLUTION

### DO

Do pile snow in locations with the most opportunity to infiltrate into the ground.

Do clear away snow that has been thrown onto the storm drains.

Do pile snow where water does not pond.

### DON'T

Don't shovel snow into the street where contaminants will make their way to storm drains, catch basins, or manholes.

Don't pile snow onto rain gardens, bioswales, or bioretention areas.

Don't use deicing road salt when temperatures are 15 degrees or below – it doesn't work!
