

FROM THE
 AUTHORITY
 BOARD AND STAFF!

**Dormont
 Goes
 Green!**
April 27

Visit the Stormwater Authority booth at the **Dormont Goes Green** event in the Dormont Pool Parking Lot on **April 27 from 11am to 1pm**. Talk to our Board members and staff and pick up some cool giveaways. You'll also want to browse our brochures for rain barrels, rain gardens, tree planting, and other stormwater management tools.

Great News!

The Authority has now received a total of **\$1.7 million in grant awards** for stormwater projects over the past 4 years. Projects include Louisiana, Piedmont, Eastmont, and Latonia Avenues; Krugh and Espy parking lot rain gardens, and Dormont Park TMDL Project. Thank you to our state representatives for their support!

Trees – Nature's Own Stormwater Management

Our Residential Tree Program in November was a huge success! The Authority worked with residents to plant 22 trees in front yards in the Borough. Many thanks to our residents who requested and agreed to care for their trees. And thank you also to our partners, Tree Pittsburgh, Eisler Nurseries, and Urban Plantscapes for doing such a great job with tree selection, locations, and the actual tree planting.

VISIT OUR WEBSITE – PAY YOUR BILL ON-LINE

We are excited to offer residents an easy method to view accounts and pay stormwater bills online at our website. Welcome to no stamps, no check writing, and no mailing!

Install a rain barrel and get a \$40 credit on your stormwater bill

Limit the use of fertilizers and pesticides that run into storm sewers – look for natural alternatives.

Plant native wildflowers to attract bees and butterflies
